Mike Keshishian
Owner
MSO

I am writing to recommend MSO and Mike Keshishian, Whom I have known for 20 plus years as a preferred vendor for your company. Mike started MSO in 1997 and Frost/Chaddock Developers has remained a happy repeat customer due to their consistent great services.

MSO has competitive pricing, quick response time, timely scheduling, and a knowledgeable staff.

I have no doubt that MSO would be a valuable vendor for your company and I give my highest recommendation.

Sincerely,

Al Novik
