Re: Recommendation of MSO Enterprises

To Whom It May Concern:

I have known and I have worked with Mike Keshishian of MSO Enterprises for over 15 years. In those 15 years Mike has been the consummate professional. Mike is knowledgeable, has good relationships within his industry and always brings his "A" game to the table whether it be in Pre-construction, Construction or Post Construction issues.

Mike is pragmatic in his approach to construction, he has a project first attitude and is always there to never let a teammate fail. Mikes service and dedication go well beyond the course of construction and his payment schedule.

It is with great pleasure and without reservation that I recommend Mike Keshishian and MSO Enterprises as a trade partner for anyone soliciting his services.
